

## Judge Training Sessions

Please attend one of the following judge training sessions:

### March 16, 2009

Salt Lake City Main Library  
4th floor conference room  
210 East 400 South, SLC  
4:00pm—5:30 pm  
6:00pm—7:30 pm

### March 19, 2009

BYU Conference Center  
Room 2265  
770 East University Pkwy, Provo  
4:00pm—5:00 pm  
6:00pm—7:00 pm

## Grand Awards Judges Needed

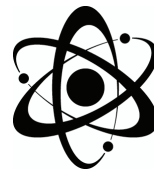

Grand awards judges will be responsible for selecting the top award winners at the fair including the 15 finalists that will represent CUSEF at the Intel International Science & Engineering Fair.

Ten individuals are needed as grand awards judges.

As a grand awards judge you will not be assigned a specific category. You will be interviewing students in many categories. After reviewing the results from the category judges it will be the responsibility of the grand awards judges to determine the overall winners.

Grand awards judges will need to be available on March 26 from 8:00am-5:00pm.

If you are interested in being a Grand Awards Judge please contact Lisa Clarke at 801-422-1987.

770 East University Parkway  
Provo, Utah

# Science Fair Judges Needed!

Your help and expertise are needed this year as a category judge for the 2009 Central Utah Science & Engineering Fair!

CUSEF is a regional science competition for students in grades 5-12 and showcases the inquisitive natures and scientific discoveries of some of the best and brightest young minds from South Salt Lake, Utah and Wasatch Counties. We are expecting 850 students to participate this year!

The top projects at CUSEF advance on to compete at the Intel International Science & Engineering Fair or the Discovery Channel Young Scientist Challenge.

The Central Utah Science & Engineering Fair celebrates the achievement of all young scientists and is dedicated to exciting students about math and science. It is our intention to help students combine the lessons they have learned in the classroom with their own interests and discoveries. By volunteering as a category judge, you too, will celebrate achievement and encourage excellence among our region's future scientists, doctors and engineers!

CUSEF Committee &  
Dr. John S Gardner - Director

## Judging Schedule

### Elementary Competitions Grades 5-6

Tuesday March 24, 2009  
11:00am-2:00pm  
Lunch Served @ 11:30 am

Wednesday March 25, 2009  
9:00 am - Noon  
Lunch Served @ Noon

### Secondary Competition Grades 7-12

Thursday March 26, 2009  
8:00 am - Noon  
Lunch Served @ Noon

### Elementary Categories

Earth Science  
Engineering & Computer Science  
Life Science  
Physical Science - Chemistry  
Physical Science - Physics  
Product Testing & Consumer Science

### Secondary Categories

Behavioral & Social Science  
Biochemistry & Chemistry  
Botany  
Computer Science  
Earth & Space Science  
Engineering  
Environmental Science  
Medicine & Health  
Mathematics  
Microbiology  
Physics  
Zoology

## I would like to volunteer as a CUSEF Category Judge!

### I am available to judge:

- Tuesday March 24, 2009  
 Wednesday March 25, 2009  
 Thursday March 26, 2009  
 I'm not available.

### Please list your category preferences:

Category 1

Category 2

Category 3

### Please indicate an age level preference:

- Grades 5-6    Grades 7-8    Grades 9-12

Name

Address

Email

Phone

### Please respond by March 13, 2009
